Partnerships for Excellence - Erasmus Mundus Joint Master Degrees

Partnerships for Innovation

Erasmus Key Action 3 (KA3):

Erasmus Key Action 3 (KA3) - Support to policy development and cooperation:

1.2 Erasmus Policy statement (EPS): your strategy

Your Erasmus Policy Statement should reflect how you intended to implement Erasmus after the award of the ECHE. Should you wish to add additional activities in the future, you will need to amend your Erasmus Policy Statement and inform your Erasmus National Agency.

What would you like to achieve by participating in the Erasmus Programme? How does your participation in the Erasmus Programme fit into your institutional internationalisation and modernisation strategy?

(Please reflect on the objectives of your participation. Please explain how you expect the participation in Erasmus to contribute towards modernising your institution, as well as on the

goal of building a European Education Area¹ and explain the policy objectives you intend to pursue).

Original language (and translation into EN, FR or DE if the EPS is not in one of these languages)

At Miguel Altuna LHII we will implement Erasmus+ by participating in international projects. International projects executed by students and staff in order to endorse mobility, share information, create networks, contribute to the creation of a European VET/education area, foster European integration and develop a European feeling.

AENOR (The Spanish Standardization and Certification Association) does a close follow up of the quality and innovation processes applied and because we are immersed in a cycle of continuous improvement, we seek recognition through internationalization, space and facility modernization, deployment of new technologies, methodologies (ETHAZI) and programmes to integrate values (4.0 Baloreak).

Please reflect on the Erasmus actions you would like to take part in and explain how they will be implemented in practice at your institution. Please explain how your institution's participation in these actions will contribute to achieving the objectives of your institutional strategy.

Original language (and translation into EN, FR or DE if the EPS is not in one of these languages)

At Miguel Altuna LHII we would like our students to take part to fulfil their on the job training period and our teachers to receive and give training, create KA2 projects, ... These actions involve, effective relationship-building between Higher VET Centres, Universities and companies; linguistic and technological upgrading; network building for employability, modernization, inclusion and integration and the creation of innovative projects.

What is the envisaged impact of your participation in the Erasmus+ Programme on your institution?

Please reflect on targets, as well as qualitative and quantitative indicators in monitoring this impact (such as mobility targets for student/staff mobility, quality of the implementation, support for participants on mobility, increased involvement in cooperation projects (under the KA2 action), sustainability/long-term impact of projects etc.) You are encouraged to offer an indicative timeline for achieving the targets related to the Erasmus+ actions.

Original language (and translation into EN, FR or DE if the EPS is not in one of these languages)

The key target for Miguel Altuna LHII is to contribute to creating a culture of internationalization and modernization through practices and transversal competences.

We will achieve this target through the increase in the number of student and staff mobility, supporting an adequate attitude towards internationalization, achieving and managing funds from Erasmus+, Education Department... and the management of KA2 projects.

As for the indicators we shall bear in mind:

Quantitative Indicators:

- Student mobility and students received
